SUBJECT: CONTACT & SUPPORT

Dear relation,

First of all, we would like to thank you for the confidence in our services. To be able to serve you even better, we would like to share our contact details.

Partly due to the transition from the familiar name 'WRS' to the new name '3D Industrial' it is good to check whether all data is still up-to-date.

As always, please do not hesitate to contact us in case of any queries.

With best regards,

Arjen Seton
Commercial Director

Jamila Djermor
Planning & Back-office manager
